## Ransom & Randolph Announces Jonas as Director and Wise as Sales Manager

**Maumee, OH – September 14, 2021** – Ransom & Randolph (R&R) is pleased to announce the appointments of Steve Jonas as Director, R&R Dental Lab and Darin Wise as Sales Manager - West Region.

In his role, Jonas will be responsible for managing R&R's dental laboratory product line including stones, plasters, duplicating materials, waxes, investments, abrasives, and equipment.

Jonas joins the R&R team with over 20 years of leadership and business experience. Prior to R&R, Jonas set up distribution and manufacturing partnerships with some of the leading companies in the dental lab industry. Jonas also has experience running an R&D and manufacturing company, developing industry leading technology, and working with fortune 100 companies.

In his role, Wise will be responsible for managing needs, conducting field evaluations and troubleshooting problems for dental lab customers. He will serve customers in the United States in AK, AZ, CA, CO, HI, ID, MT, NV, NM, OR, UT, WA, and WY; in Canada in AB and BC; as well as customers in Mexico.

Wise joins the R&R team with 33 years of technical and sales experience in the dental industry. Throughout his career, Wise has specialized in all aspects of conventional and digital processes for removable, fixed and removable partial denture (RPD) applications. Prior to R&R, Wise held various positions including laboratory specialist, prosthetics representative, and sales and technical consultant.

"I am proud to announce the appointments of Steve and Darin," said Daniel Nixon, R&R President. "We are confident that they will continue our tradition of providing dental laboratories with extensive process knowledge, exceptional technical expertise and innovative product technology."
